

MOTOTRBO CP200d ACCESSORIES

FREE YOURSELF TO WORK MORE EFFICIENTLY

No matter where you go or what you do, MOTOTRBO™ is made for clear, coordinated communication in the busy workplace. To help you excel in your job, you need accessories that match the performance of your MOTOTRBO radio – that truly fit your environment. That's why it's important to use Motorola tested and certified accessories with your CP200d™ portable radio. They're the only ones designed, built and tested with your radio to optimize its performance.

Only Motorola accessories unleash the full power of MOTOTRBO – the most advanced digital radio platform in the industry. So as you walk from the production line, across hotel grounds, or to the store stockroom, you can work more easily and efficiently wearing a comfortable, convenient accessory. Combine our best-in-class radios with CP200d accessories to achieve even greater productivity and cost-savings. **Together, you'll rethink what's an accessory – and what's a necessity.**

OPTIMIZED FOR DIGITAL

Make sure to only use Motorola audio accessories with this digital symbol, it indicates these accessories have been optimized for performance in both digital and analog mode. All accessories with this symbol have been certified and approved for CP200d™ portable radios.

EARPIECES AND SURVEILLANCE ACCESSORIES

A wide selection of styles fit the way you work – from discreet clear acoustic tube styles to over-the-ear styles. With inline push-to-talk and microphones, these accessories are easy to access on the go, so you can stay focused on the job. Choose from a variety of surveillance kits and ear microphones to communicate discreetly.

KEEP THEM FOCUSED ON THE GO

FACT SHEET

MOTOTRBO CP200d ACCESSORIES

HEADSETS

Our lightweight headsets provide lasting comfort and our heavy-duty headsets provide comfortable ways to protect your hearing in noisy environments. Even if your teams are logging extra hours stocking shelves or clocking overtime on the manufacturing line, they can communicate confidently. Heavyweight headsets offer extra durability and protection in more rugged and noisy environments.

HEADSETS

PMLN6538	Lightweight Headset, over-the-head, single muff with swivel boom microphone

BATTERIES AND CHARGERS

As an added plus, you can re-use all of your batteries and chargers from your CP150/CP200/CP200.XLS/PR400 radios. Since MOTOTRBO batteries are Proven Tough, they stay true and stand tougher than others. In lab test after lab test, our batteries withstand shocks, knocks, drops and shakes and outperform the other brands. Choose from a variety of chargers, including a rapid-rate, multi-unit charger that handles up to six batteries at one time.
